Dear Mr. Nickel:

I am writing to commend your staff for the house move they completed for OPAL Community Land Trust on Orcas Island. We were delighted with their professionalism, creativity and positive attitude throughout the process.

Candace Montgomery in the Everett office provided courteous, efficient and effective service with a lovely and engaging sense of humor and positive attitude.

Adam Greve directed his crew with skill and grace and remained unflappable throughout the entire event. His crew jumped on tasks with diligence and speed, without ever being hasty. They were pleased to include our contractor in their efforts and did so effectively and respectfully.

On behalf of all of us on the OPAL team, I extend our thanks to all of you on the Nickel Bros. team.

Sincerely Yours,

Elisabeth C. Byers
Executive Director
