Features

A rare sight of an old favorite – a full size panabode in the centre of Langley! Yet it is narrow enough to make the barge! WE ONLY HAVE ONE MONTH TO SAVE THIS HOME! Call right away!

In possession of the same family since the seventies, they left behind the original blueprints and the sweet cedar aroma. Numerous skylights and abundant windows lighten up the unique woodsy ambience. A sizeable living room and separate dining room is to the left after you step into the front door. Three bedrooms and one bathroom is straight ahead and to the right down the short hallway. The layout is spacious, and since the

very large chimney will be removed, it can be opened up between the kitchen and living room for even more light and flow.

This home will need some of that panabodian love to let it shimmer once again! Call your local office today to view this one! It won't last long!
