Roof:	Asphalt Shingle	

Features

Who loves a classy Tudor? Here is that special clean, well-loved home with character to boast! Hip roof gables with stucco and wooden beams draw back to English 1500's nostalgia!

Inside this special home is newer laminate, a snow white kitchen installed around 2019, with an island and lots of storage space.

A picture window under the front gable is eager to draw in views of your green meadows or the white cliffs of Dover. Relax with tea and Shakespeare in your dreamy front room.

The dining area opens to outside via a sleek slider to maybe a sweet spicy summer BBQ with family and friends – this home is ready for that vivacious lifestyle!

Bedrooms are good size with convenient closets and one and a half newer bathrooms in tow.

This one is ready to go in September, giving you the right timing to get permits and property prepared! Call your local office to arrange a viewing today!
