Features

This building would make an awesome stand alone studio/suite. Its been built as an artists studio, and might be that building that makes that dream of working from home a reality. It may be that workshop that you have been dreaming of!

The inviting high ceilings inside make it feel much larger than 900 square feet and would be the perfect second dwelling, guest suite or mortgage helper!

Call your local office today to view this incredible property! They won't wait for you!
