Features

This Heritage duplex has great curb appeal with a 900 sq ft, 2 bed apartment in the front and 400 sq foot bachelor at the back. Great place to live with an additional rental or B&B to help with the mortgage. The hardwood floors, original moldings and trim really charm the place up and the newer windows and roof compliment this old girl. This home won't be available until November, but don't wait or you'll miss out! Call your local office for more info or to arrange a viewing.
