Features

This large custom basement home has an unusual floorplan. With a den off the kitchen at one end and a large livingroom at the other, it's set up for family living. All the bedrooms are situated at the back for peace and quiet and the primary has it's own 2 pc bathroom, making this ideal for a family.

Put it back on a basement and you will have almost 3000 sq ft of a well structured and well built home to play in!

This is alot of house and well worth saving! Call your local office today for more information or to arrange a viewing.
